Clavinova Workshop on May 14th 10AM at Piano Plus

Piano Plus has arranged another Clavinova Workshop for our branch members, friends and parents. It will be on Friday, 5/14 at 10 AM at Pianos Plus at 1558 A Street, Castro Valley, CA 94546-7016.

This workshop is free to all and everyone will be able to try many different kinds of Clavinovas. Best of all, refreshment/light lunch will be served after the workshop. Please come and check out what Clavinova can do for you and your students.

The Yamaha Clavinova Workshop will focus mainly on using technology in today's world of teaching. The ability to use software, and have access to everything the digital world offers us today has become invaluable in our modern world. Yamaha's National Program Director Ms. Lori Frazer is our first and best choice in teaching this workshop. Lori has more than 20 years of experience in working with Yamaha Clavinova and our national teaching community, and she knows how to make this information easy, fun, and exciting.
